<b>TOTAL BTU</b>				

This application expires 12 months from the date of receipt. By signing this application, the party below represents that the above information is accurate. The information provided in this document, and the accuracy thereof, is critical to determine the size of the gas service line and metering equipment, and path of installation. The customer shall notify Piedmont Gas Company of any gas load changes prior to the installation and use of future equipment/appliances to avoid additional fees. Piedmont Gas Company reserves the right to designate or approve the location of all metering equipment and gas service lines. Piedmont Gas Company must approve all proposed metering arrangements. It is the sole responsibility of the property owner to mark or otherwise identify any abstractions as soon as practicable and at the latest prior to construction, including, but not limited to all privately owned underground facilities on the property (e.g., sanitary and storm sewers, water lines, electric lines, septic systems, irrigation, invisible fences, geothermal systems, etc.).

**I understand that this application is a request to obtain natural gas service and it does not guarantee gas availability or service.**
